About...

Shri Anjani Kumar Goenka
(Chairman - G.D. Goenka Group)

G.D. Goenka Global School owe their existence to Shri Anjani Kumar Goenka, a noted businessman-industrialist, who aimed at creating and providing a global educational environment in his schools. He has the vision that an educated person has the ability to change the world, as he/she is brimming with confidence and assured of making the right moves. He aimed to immortalize the name of his mother Shrimati Gayatri Devi Goenka and hoped to provide the students a sound education unheard of in the NCR before. Smt. Renu Goenka, the inspirational woman behind the successful man, provides the final touch of the extraordinary which makes G.D. Goenka Global School a unique educational institution.

Under the aegis of the illustrious GD Goenka Group of Schools, G.D. Goenka Global School, Hisar is governed by the "VANDEMATRAM EDUCATIONAL TRUST".

“Bagless” School “

We "THE GOENKANS" have started the “BAGLESS” programme and introduced tablets from classes 3 to 10. This concept is very helpful to release the strain of heavy bags on students. It further helps them to have a hassle-free school day, keep a record of the work being done in school, concepts to be recapitulated at home, extend learning beyond the text books, and explore the world at their leisure. They don't have undue pressure to remember what to put in their bags each morning.

As you know, the tablet is a revolutionary tool to make learning enjoyable, collaborative and engaging for each student in the classroom and at home too! While teachers are able to control each tablet and its content from his/her own tablet. Effective learning in real time situations will help each student to be a critical thinker and problem solver.

START OF A DREAM

A LEGACY OF EXCELLENCE

It started with a dream.... a glorious vision to create an ambience conducive to creative learning. An innovative direction towards providing Global education with its feet firmly grounded in the Indian soil. A humble endeavour to touch the greatest heights of excellence in Education. A school with a difference!

A school that became a trendsetter in radical and progressive education, the quality of facilities and its gamut of opportunities.

Today, under the aegis of G.D. Goenka Group, the G.D. Goenka Global School, is regarded as centre of educational excellence globally. The school philosophy is based on a set of strongly held beliefs which is put into action everyday by every member of the institution. It's a philosophy of treating each child in a sensitive manner and providing appropriate developmental

Established in 1994, G.D. Goenka Public school, Vasant Kunj was the brainchild of the G. D. Goenka Group Chairman Shri Anjani Kumar Goenka. He aimed to immortalize the name of his mother Shrimati Gayatri Devi Goenka and hoped to provide students with a sound education unheard of before. His innovative mission reached the pinnacle of success due to the detailed execution of plans by Smt. Renu Goenka. Her finesse and sensitivity worked in unison with Shri A.K. Goenkas visionary enterprise, to give the school its present standard.

programmes so as to encourage not just learning but also the love of learning. It is also based on providing an environment that is safe, clean, healthy and child-oriented. An environment where classrooms are arranged in a manner that it offers challenging play and learning choices at a range of developmental levels. Activity areas are designed where children are allowed to explore.

What is education without change?

Welcome to G D Goenka Global School.

Here education is all about change.

Change in teaching methodology.

Change in technology. Change in outlook.

Change in dependance.

Learning & Change are synonymous.

A School atmosphere and facilities also advance achievement and success. The G.D. Goenka Global school provides amenities and facilities adapted to the needs and expectation of each student.

The presiding members in the Goenkan Classroom use Interactive white boards used in GDGGS as a replacement for traditional white boards or flipcharts. They provide ways to show students everything which can be presented on a computer's desktop (educational software, web sites and others) in an actual working setting.

In addition interactive whiteboards allow teachers to record their instructions and post the material for review by students at a later time. This is a very effective instructional strategy for students who are absent from school, for students struggling while learning, and for review work during examinations.

Interactive Smart Boards in all the Classes

- Creative video files to teach software application, lesson, or as a review to be posted to the server on the web.
- Use of the built in maps to teach continents, oceans, countries, or states and capitals.
- Showcase presentations created by student or teacher.
- Have students create e-folios including samples of their work and narration.
- Digital storytelling.
- Take notes directly into PowerPoint presentations.
- Reinforce skills using on-line interactive web sites.
- Creating a project calendar.
- Illustrate and write a book. Use the record feature to narrate the text.
- Use the Inter write software to create lessons in advance at home or at school. Then save them for future use or share with other teachers.
- Diagramming activities.

These are 21st Century classrooms! Here teachers are the facilitators of students learning and creators of productive classroom environment which nurture development of multiple skills and competencies. The teachers create a learning ambience that allows each child to grow intellectually with conceptual understanding and higher order thinking skills.

The curriculum is CBSE based and amalgamates world class pedagogy and teaching methodology. The collaborative project based curricula develops the higher thinking skills, effective communication prowess and knowledge of technology required in the global scenario. Students learn to use the enquiry method and to collaborate with others - microcosm of the real world they will experience. The emphasis is on creating life-long learners through a plethora of varied instructional methods, appropriate resources of opportunities to create a learning environment that allows each

child to CONSTRUCT KNOWLEDGE.

Each teacher encourages students' curiosity and intrinsic motivation to learn and the teacher helps students to become independent, creative and critical thinkers by providing rich and varied experiences and exposures in conjunction with regular curricular resources.

Our objective is

- not to instruct
but to inspire

- not to merely learn
but to acquire wisdom

- not to limit thought
but to expand the frontiers of the mind

Transport

GDGGS has a large fleet of air conditioned buses. Each bus is designed for safety and comfort of children. The buses carry a highly trained driver, conductor and a guard supported by radio paging, mobile phones and global positioning.

Additionally a female teacher and a nanny accompany the children on all junior bus routes.

The school operates different bus routes. The details of bus routes, pick-up and drop-off points, time schedules; and bus charges will be provided by the School at the time of admission of students.

Safety and Security of a child is of prime importance to us at G.D. Goenka.

Trained guards are posted at all vantage points and in buses to safeguard children. The safety procedures at the entry gate are rigorous while screening visitors.

Stringent safety norms are laid down to ensure that each and every child feels secure and protected throughout. It is not just shielding from external threats but also safeguarding them from hazards. The construction, the furniture design, toxin free equipments, apparatus, swings, toys and games etc. are special

features towards that objective.

Our carefully selected human careers, teachers and well-equipped security staff are supported by technical systems exceeding international safety norms.

There is a Public Address (PA) system, and a 100% power and water back up. EPABX connections enhance communications facilities for parents. In addition, the school is well guarded by trained security staff.

Access control cards restrict student entry to academic block. Also the senior and junior sections have different access codes.

Health and Hygiene

Good Hygiene is a key part of quality living.

In day to day life settings, hygiene practices are employed as preventive measures for healthy living. sparkling cleanliness is just one part to ensure quality and prevent the onset of disease causing organisms. Electronic faucets with sensors and other fitments are added shields. Highest standards of hygiene and cleanliness are maintained.

Another step in the direction is the provision for drinking water. Only R.O. water is served for

drinking purpose in disposable glasses through large number of water dispensers placed at convenient locations all over the campus.

The School cafeteria managed by a renowned caterer serves nourishing, wholesome snacks, meals and juices in the most hygienic conditions.

The menu is planned for its nutrition content and taste for growing children by a qualified nutritionist.

Medical & Counseling Facilities

The medical care for children is of foremost concern in terms of care of child and life saving. The medical facilities are unparalleled in school health care. There is a spacious, airy and well equipped medical room.

Apart from a regular Doctor and Nurse, child health is regularly monitored by a team of specialist doctors as a preventive and restrictive measure. This includes regular eye and dental examination records.

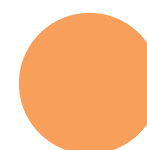

Well qualified Counselors cater to all age group of students and teachers for balanced mental health as well as behavior modification and guidance.

The Guidance and Career counseling department helps every student to explore possibilities: that are commensurate with their respective skills and abilities.

The Counselors provide support that enables the students to become more aware of their resources.

Faculty

A master can tell you what he expects of you.

A teacher though, awakens your own expectations.

An enthused, dedicated and well-qualified faculty overseas the well being of your ward. Teachers use a student centered style which instills confidence, initiative and the development of critical and analytical skills. The entire faculty is technology-trained and uses technological teaching aids to make learning more interactive and effective.

Each staff member also imbibes the Goenkan culture and ethos, the thread that binds the entire

teaching fraternity of the Goenkan Society.

Regular in service programs keep the faculty abreast of the latest national and international developments in the field of education. This influences them to think 'out of the box' and innovate, improve upon styles, approaches and methodologies.

The opportunities for formal and informal relationships with the Goenkan faculty are plentiful and reward resulting in lifelong associations as well as professional mentorship that shapes students' lives and careers.

All faculty members are from NCR and trained by experts from

GD Goenka Group

New Delhi.

They have atleast 5 years experience in public schools of repute

Science and Technology Learning to DO...

A unique school which balances pedagogical and technological elements, providing an optimum condition for learning.

Analytical approach is inculcated in each child through exploration, observation & discovery. A hands-on approach is adopted at all developmental stages leading to conceptual understanding and an inquisitive and analytical mind.

Emphasis is laid on sensitising the learners to the application of concepts in not only day to day lives but also in the service of humanity and as a major instrument for achieving goals of self reliance, socio-economic and socio-ecological development.

Science as a stream is introduced for senior classes in a wide ranging programme covering Physics, Chemistry, Biology and Biotechnology. It will provide students with a scientific approach to advanced studies, and the students will be exposed to the latest developments by regular visits to Science and Research Centers.

State-of-the-art labs form the basis of the research work. Robotics, aero-modelling, electronics, space study and other science related activities propel a child's mind towards innovation and invention.

Learning to know

The superbly well stocked library houses a vast collection of books, digital sources, resources and services on a wide range of topics.

The endeavour is on inculcating the reading habits in children, giving a free rein to their imagination and minds in comfortable and conducive ambience. The reference sections supports the curriculum and beyond. An advanced section and an e-library section of the library are there in response to meet the need of the expanding horizons of learning beyond limits.

Library & Computer Labs

There is Campus-wide broadband e-connectivity with Wi-Fi for anywhere-anytime computer learning. All students have supervised internet access.

They will be familiar with the software packages used in modern business applications such as Word-Processing, Spreadsheets, Databases and Power Point Presentation.

There is a Hi-Tech e-Library where students have access to online encyclopedias and reference materials in addition to a wide gamut of books and magazines.
